Dear Parents/Guardians,

In 2013 Kindergarten, Year 1 & Y2 students will be using a selection of resources including a textbook for Handwriting, a subscription to the Mathletics computer program & an ICT levy.

Cost is $40.00.

The Voluntary Contribution Fund is a set amount of $46/family. This amount is set by the State Government and is consistent with most Public Schools.

Please complete the slip below and send the money to the school office as soon as possible, so students may begin working with these resources.

Please note that Student Assistance is available for any parent experiencing financial difficulties. Please speak to Mr Angus or Mrs Giles in the office regarding this.

Thank you,

R. Angus
Principal
13/2/13

□ This is the $40.00 payment for my child’s textbook / resources.
□ Also included is the Voluntary Contribution of $46/family.
