P&C Christmas Raffle

With Christmas just around the corner it is time to open donations for the annual P&C Christmas raffle. Through the generosity of our families and members of the community the prize hampers are packed full of food and treats. Each class is nominated to collect particular items, however any additional items will always be welcomed. Donations can be left in the large boxes in the office foyer. Please ensure that items are non-perishable and in date. Tickets will shortly be sent home for sale at $1.00 per ticket.

LIBRARY NEWS

NOVEMBER IS PICTURE BOOK MONTH
Picture books entertain and they also make children think. The most wonderful thing I think children develop is imagination. This is important because 21st century learners need to be creative thinkers and for this they need to have a well-developed imagination.

Reading picture books and loving picture books is something parents can do right up to 12 years of age. People who love to read are more likely to be successful in their schooling and future careers.

PICTURE BOOK DISPLAY
In our library is a beautiful canvas of 100 picture book characters painted by Mrs Brown (mother to Susan in 1/2S). This canvas attracts many children to see if they know all the characters. Many students will work together to see if they can name them all. It has been a wonderful start to picture book month. Thank you Mrs Brown for your efforts. The students have had so much fun!

Year 2 library assistants would like any picnic rugs that they could use for their outdoor library at recess. They are trying to make their customers comfortable and to make the outdoor library enjoyable.
