Dear Parents and Caregivers,

On Thursday 24th July, 2014, Camden High will be holding an Open Day for all students in Year 5 who will be attending high school in 2016.

The beginning of High School is an important time for all students. Many students are making choices about High School from Year 5. It is hoped that this day will help Year 5 students and their families with this transition. The day will provide students with an opportunity to sample and discover what a day at High School is like, dispel myths about High School and engage students’ interest in a wide variety of areas available to High School students including science labs, home economics kitchens, art rooms, and industrial arts technologies. This day is designed for all students to attend regardless of what High School they will be attending. Attached to this letter is a copy of the program for the day and what each student is required to bring. Students will participate in 3 lessons, Agriculture, Science, Cooking, Textiles, Visual Arts or Industrial Art (Timber/Woodwork).

Students need to organise their own transport to the High School for a 9am start. Transport back to school at approximately 2pm will be by bus provided by Camden High School. The accompanying permission slip will need to be filled out for permission to travel by bus back to school. A staff member from The Oaks PS will be attending.

All students MUST wear closed in leather shoes to participate in Science and Industrial Arts lessons for safety. Full school uniform should be worn.

Please return slip by Monday 21st July, 2014 to Ms Watling.

M Watling
Assistant Principal

S Crouch
Principal
